Brian,

Further to our discussions and emails, below is the contact info for Larry Morrison, the bankruptcy attorney to whom we typically refer. I finally spoke with Larry this morning after our long game of phone tag.

Larry now has a rough understanding of your situation and would be happy to speak with you or meet with you in his NYC office, where he shares office space with our firm at 87 Walker St. You should reach out to him directly and arrange the best time to get together.

Let us know if you have any questions.

Best,  
Jim

P.S. Please follow up with Jesse regarding the packet to be emailed/FedExed to the Brooklyn Detective handling the warrants.

Hey guys -

Spoke to a friend tonight and pretty it is an important detail and feature would emphasize (I do have copy of John's school transcript i round) that he went to this college NOT CW Post for which he had always represented to me <http://www.hackcollege.com/school-finder/schools/pennsylvania/philadelphia-biblical-university-langhorne/>

Based on the back door curriculum taught at this school, apparently they teach how to "cook books for Christ....." (google "Philadelphia Bible College" and criminal enforcement and financial crimes bureau)

oh and btw, their fellow churchman and "family financial advisor" who would be at the center of the individual that probably help guide John and mother how to and what to - just announced his impending departure as CEO of their "family owned investment business" as a roadmap for the future..... the many companies including StoneAge which I happen to have replicated deposit images of 2 checks from January 2013 that went into our account disguises as "John's salaried contribution from that pay period"

Seeking a redistribution of debt between debtor and non-debtor spouse accordingly

Uncover and regain funds which may have been misappropriated or unjustly re-distributed, hidden or passed-thru to third parties by non-debtor spouse

Execute and enforce such protections under US Bankruptcy law for debtor including that of "debtor in possession" for which certain barriers may exist and sought to be dismissed through appropriate petitions / motions (i.e. occupancy of house and operations of business)

Re: Chapter 11 for Brian Denker-Youngs

Dear Rabbi Brian Denker-Youngs:

We are pleased that you have chosen Morrison Tenenbaum, PLLC to serve as counsel to you in connection with the above captioned matter. We are prepared to undertake this representation. However, firm policy requires that each client sign an engagement letter memorializing the terms and conditions of the representation prior to our firm accepting any retention to help avoid any misunderstandings later on. This letter is intended to serve that purpose, and we recommend that you read it carefully. The terms and conditions of your engagement of Morrison Tenenbaum PLLC are as follows:

1. Morrison Tenenbaum PLLC will bill you monthly for the work that we do. Bills will be itemized and include specific description of services rendered. The services to be provided include: a) Appearances at court conferences and meetings with the United States Trustee (341a meetings); b) Drafting of motions, drafting and filing claims objections drafting and filing a plan and disclosure statement.
2. Fees will be computed based upon the customary hourly rates charged by Morrison Tenenbaum, PLLC for attorneys and para-professionals in the law firm who perform services for you. At present, these hourly rates are as follows:  
  
\$495 per hour for Lawrence Morrison, Esq.  
\$350 per hour for associates or counsel  
\$100 per hour for para-professionals and law clerks
3. Morrison Tenenbaum, PLLC will expect payment of our statements, which will include disbursements and charges advanced on your behalf, after approval by the bankruptcy court.
4. It is Morrison Tenenbaum PLLCs usual practice to require a retainer before we commence work for a client. In connection with this representation we will require an initial retainer of \$10,000.00 to be paid by Third Party Funds.
5. Disagreements are seldom had with clients concerning my fees. In the event a dispute should arise, you have the right to elect to resolve this dispute by

arbitration under Part 137 of the Rules of the Chief Administrator of the Courts. I believe it is in our mutual best interest that any such dispute is resolved promptly and efficiently through the alternative dispute resolution process. To that end, we agree mutually that in the event of a fee dispute that cannot be resolved in good faith between us, at the request of either party the other party will agree to submit such dispute to arbitration pursuant to the Fee Dispute Resolution Program of Part 137 of the Rules of the Chief Administrator of the Court to be conducted in New York County. We each hereby consent to such arbitration even if the matter in dispute is more than \$50,000. The determination of such alternative dispute resolution service shall be final and binding upon the parties as in any other arbitration agreement and shall not subject to de novo review except under circumstances available for vacating or modifying an award as provided in CPLR section 7511. The substantially prevailing party shall be entitled to recover the cost of the dispute resolution, including reasonable attorney's fees.

6. Since this is a Chapter 11 proceeding you understand that you must file monthly operating reports and open a dip account and must maintain insurance.

If this engagement letter is satisfactory to you, please sign and date the bottom of this letter and return the same to our office.

To the extent you have questions regarding any of the provisions of this engagement letter, please contact me, (212) 620-0938.

Very truly yours,

MORRISON TENENBAUM, PLLC

John Denker-Youngs Accounts / Accounts of John Denker-Youngs

I never knew any of these existed. At least based on the statement of 9/30/13 it almost appears that the Openheimer Funds were opened around January 2013. Based on the statement, John received around 10/2013 \$15,000 as a redemption - where did that money go?

I never had access to any of these accounts, access to statements, and John's salary and any other monies he received, he deposited into these accounts and wrote a separate check to us

At least 2 checks were written and deposited somewhere, but not to our joint accounts totaling \$10,000 +

John took w/o my knowledge a loan in January 2014 of \$20,000. Member ID 9047495

Hi Mr. Morrison

Self wanted to confirm with you for meeting yesterday that we are opposing my husband motion to lift stay further before proceeding into chapter 7 I would be more comfortable in receiving and finding updated schedule competition with all of my accurate information that had been missing which I initially alerted you to in March namely

There are several creditors that are missing including Bethpage Federal credit Union as well as my name is not correct on the petition as my legal name is hyphenated. There is also several medical bills that were missing and needed to be added as is the creditors like Verizon.

Further as you know since my husband I am electing his bike and all that money into retirement money from my account and credit that money does exist for which minor standing with that we will get they still be able to pursue can mitigate to get those funds of mine back. Hello that I had a clear understanding of my

Could you document for me just the process by which I can expect things to proceed so that there is no confusion as we had the other day and I don't speak out of turn in any inappropriate way.
